CARDIOLOGY GROUP OPENS NEW OFFICE
Largest Cardiology Practice Adds Derby location

Williamsville, NY. – Cardiology Group of Western New York, P.C., the largest cardiology practice in Western New York, has announced the opening of a third office in Derby, NY. Located within the Lakeshore Family Medicine building at 7060 Erie Road, the office opened on October 16, 2012.

The Derby office initially will be operational two days per week (Tuesdays from 1-5 p.m. and 8 a.m. to noon on Thursdays) with additional hours planned in the near future. It will be staffed by Aravind Herle, M.D. and Matthew McClure, M.D., Board Certified Cardiologists specializing in clinical diagnostic cardiology, cardiovascular disease and internal medicine. Both are graduates of the University at Buffalo School of Medicine and Biomedical Sciences. They serve on the medical staff at South Buffalo Mercy Hospital within

the Catholic Health system.

Cardiology Group of Western New York is the largest Cardiology practice in the area, with 15 physicians on staff and more than 30 years of commitment to quality cardiac care. They offer a full range of cardiac services - from nuclear testing, angiograms, angioplasty and stents to specialized heart rhythm treatments, echocardiography, vascular testing, peripheral vascular interventions, laser and radiofrequency varicose vein treatments and primary prevention. They also provide urgent consults and most diagnostic tests within 24 hours at either the Williamsville or Orchard Park offices.

Their physicians have associations with Kenmore Mercy Hospital, South Buffalo Mercy Hospital, Sisters of Charity Hospital, Kaleida Health, United Memorial Medical Center and ECMC.
