## **NEW PHYSICIANS JOIN CARDIOLOGY GROUP**

### **Board Certified Doctors Expand Expertise**

**Williamsville, NY.** – Cardiology Group of Western New York, P.C., the largest cardiology practice in the area, has announced the addition of Harry (Guy) McCrea III, MD and Robbie D. Wall, DO to their practice.

Dr. McCrea is a general Cardiologist specializing in non-invasive procedures. He is a graduate of the University of North Carolina School of Medicine and served an Internal Medicine Residency and Cardiology Fellowship through the University of Rochester at Strong Memorial Hospital. He is board certified in Internal Medicine. Dr. Wall is a Clinical Electrophysiologist specializing in cardiac arrhythmias and device-based therapies. He is board certified in Cardiology and Internal Medicine. He attended medical school at Lake Erie College of Osteopathic Medicine in Erie, PA and served an Internal Medicine Residency and Cardiology Fellowship in Detroit, MI.

Cardiology Group of Western New York is the largest Cardiology practice in the area, with 14 physicians on staff and more than 30 years of commitment to quality cardiac care. They offer a full range of cardiac services - from nuclear testing, angiograms, angioplasty and stents to specialized heart rhythm treatments, echocardiography, vascular testing, peripheral vascular interventions, laser varicose vein treatments and primary prevention. They also provide urgent consults and most diagnostic tests within 24 hours at either office. Their physicians have associations with Kenmore Mercy Hospital, South Buffalo Mercy Hospital, Millard Fillmore Gates Hospital and ECMC.
